

### Artus Jazz Festiwal

The first edition of the event was organised in 2007. In July and August evenings (usually on Fridays) the Old City Hall courtyard resounds with various shades of jazz. There are also performers from the border of genres, for whom the improvisation is an essential part of their creativity. Concerts, because of the season, are of the mild, summer character.

Artists, whom the greatest festivals with established reputation would not be ashamed of, give performances in Toruń. Among others, we have hosted: Lora Szafran, the Marcin Wasilewski Trio, Leszek Możdżer, Andrzej Jagodziński, Kroke, Aga Zaryan, Sydney Elis and many others.

The “Artus Court” Cultural Centre is the organiser of the festival.
