

The "Toruń - Music and Architecture" International Summer Festival

On summer holiday Saturdays – from the end of June until the end of August – the most beautiful monuments of Toruń host concerts of the “Toruń – Music and Architecture” International Summer Festival.

Among the places where the music meetings within the festival are held, are: the Assumption of the Blessed Virgin Mary Church, the Old Town Hall, the Castle of Teutonic Order, the “Under the Star” Tenement House, the St. Johns’ Cathedral, the St. James’ Church, the seat of the Scientific Society in Toruń, the Holy Ghost Church, the Dąmbscy Palace and the Artus Court. There are, however, unusual presentations, e.g. held at shopping malls.

During the festival concerts, primarily the classic music, from the renaissance to the modernity, is played.

The Toruń Symphonic Orchestra is the organiser of the festival.
